

The **Catalunya-La Pedrera Foundation** offers a grant to obtain a master degree on the next 2017-2018 course.

The amount of each grant is 5.000 Euros and the **Computer Vision Master has been awarded with one of them.**

Selection criteria will be based on **candidate's excellence**. Specific requirements are:

- Spanish nationality
- Excellent academic record

Deadline to apply for the grant is **July 16th 2017**. If you are interested we need you send the following information (in pdf files) to the Master coordinator at m.computer.vision@uab.cat.

- National Identity Card.
- Academic transcript of your undergraduate studies detailing the following: courses studied, ECTS (or hours), number of exams sessions required per course, grade per course and overall grade (weighted grade-point average).
- CV with merits including: professional and research experience, publications, international experience. Also include if you have been awarded any research grants or subsidies.

Financial support provided is not compatible with other grants or economic help unless it is specifically authorized by the Catalunya-La Pedrera Foundation.

The Evaluation Committee retains the right to reject any application deemed with insufficient data. Special cases will be evaluated individually by the committee. The Evaluation Committee's decision is not subject to appeal.

The award and amount of the scholarship is subject to Spanish tax laws. Presenting the scholarship application implies the acceptance of these bases. Any aspect that has not been foreseen will be resolved by the Catalunya-La Pedrera Foundation.
